Introduction

Uniquely Yours is a store specializing in beauty and its products. The store contains 7 pages. The first page is the main page, while the second page is the brands and includes products that you can put in the basket.

The fourth page is the registration page on the site, the fifth page is the contact us page, the sixth page.

It is a page that talks about the developers of this store. The seventh and last page is the discount account page for the user.

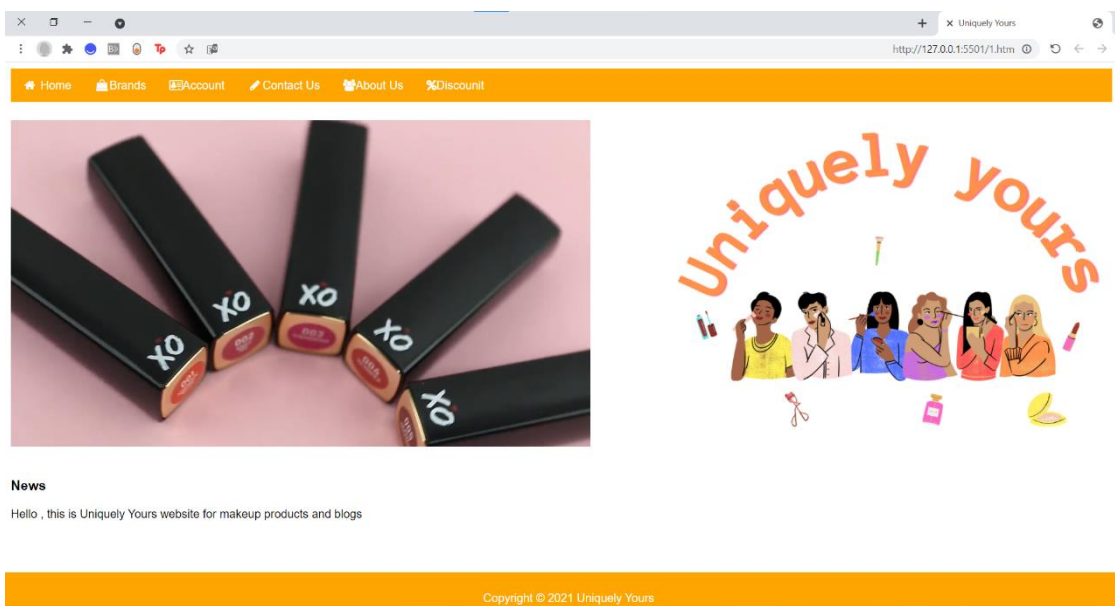

Our store includes some products and many brands. You can also specify your region when registering, as we can reach you wherever you are. We have used in this website all the requirements of the project of this article. Also, we chose summer colors and the logo was designed by us to suit all women as we see fit, and in the end, shop with us!
